O'REILLY LEARNING ACADEMIC VALUE-PROPOSITION TO IIT KHARAGPUR

O'Reilly Learning Academic will benefit IIT Kharagpur in the following ways:

1. Higher studies overseas: O'Reilly Learning for Higher Education is the de facto standard in all reputed Universities in US, Europe and APAC where IIT Kharagpur students may aspire to go for their higher studies.

- Thus, having O'Reilly Learning for Higher Education in IIT Kharagpur will expose your students to the same advanced level of Learning Content and Learning Methods as their future destinations for higher studies.

2. Preparing IIT Kharagpur students for better placements in the industry both in India and overseas.

- O'Reilly Learning for Enterprise is trusted globally by 66% of the Fortune 100 companies, 37% of the Fortune 500 companies, plus 2.5M users from 5,000+ enterprises across industries to stay ahead in business and technology. O'Reilly's Enterprise customers spanning all industries include TCS, IBM, Microsoft, Intel, Cisco, GE, Verizon, Boeing, BMW, Vodafone, Bloomberg, Amazon, Visa, Nike, Discover, DBS Bank, MasterCard, Sapient, Philips, Oracle, Adobe, AIG, UBS, DBS Bank, Bank of America, and several other global organizations. O'Reilly Learning knows the skills these employers are seeking, which is a big advantage for students launching their careers in a competitive market. Bringing O'Reilly Learning Academic

to IIT Kharagpur will enable IIT Kharagpur faculty to complement and enrich their curriculum, prepare students for their future careers, and encourage lifelong learning.

3. Preparing IIT Kharagpur students to be better prepared for the rapidly changing skills requirements in the industry the world over.

- According to The Future of Jobs Report 2020 (https://www3.weforum.org/docs/WEF_Future_of_Jobs_2020.pdf) from the World Economic Forum, The pace of technology adoption is expected to remain unabated and may accelerate in some areas.

Skills gaps continue to be high as in-demand skills across jobs change in the next five years.

On an average, in the period 2022-2025 companies estimate that around 40% of workers will require reskilling of six months or less and 94% of business leaders report that they expect employees to pick up new skills on the job, a sharp uptake from 65% in 2018.

Bringing O'Reilly Learning Academic with its unparalleled Advanced Learning Formats coupled with the most comprehensive Technology/Engineering/Business/Industry/Leadership Learning Content to your institution will help prepare your students and faculty to get used to rapidly changing skilling requirements globally.
